

# Not Enough

## Boyce Avenue

To give back time  
You force too much  
It's always too much  
But not enoughSo much for here and now  
It's all the same now  
I wish everything would changeYou can't believe a word he says  
You can't believeI know you've been lost  
You said it before  
Say it again now  
I know you've been lost  
You're begging for more  
And it's not enoughYeahIt's all they know  
And really believe in  
He gives you a reason  
To take it slow  
So much for the here and now  
It's all the same now  
But I wish everything would changeYou can't believe a word he says  
You can't believeI know you've been lost  
You said it before  
Say it again now  
I know you've been lost  
You're beggin for more  
And it's not enoughYe-yeahI know you've been lost  
You said it before  
Say it again now  
I know you've been lost  
You're begging for moreI know you've been lost  
You said it before  
Say it again now  
I know you've been lost  
You're beggin for more(I know you've been lost)  
(You're begging for more)  
I know that you've been lost  
(I know you've been lost)  
(You're beggin for more)  
Why you beggin please for more  
I know that you've been lost  
(I know you've been lost)And it's not enough

And it's never gonna be
