

Did You Talk to God Today

Marvin Morrow

You talked to your banker, your lawyer and such... talked to your doctor but you didn't learn much... talked to everyone you met on your way, but did you talk to God today

Did you talk to God giver of life
Did you asked for favour, with your troubles and struggles ,did you say Lord am sorry,if have gone astray,Did you talk to God today

In the paper and on TV all is bad news
The cause of this world, is it to loose
But there is still hope today, he is not to far away, but did you talk to God today

Did you talk to God giver of life
Did you ask is favour with your troubles and struggles, did you say Lord am sorry if have gone astray, Did you talk to God today—2
Did you talk God today
