

Chelsea

The Dirty Heads

I wonder why I wasted all of my time
I could've been, I could've been there with you
Wonder why I even try, girl
'Cause there's just nothin', nothin' I can do
Nowhere that I can go, no
Nothin' that I can say, girl, that's gonna take the pain away
This time I feel like dyin', feels like I'm dead within
Sometimes I wish I was, girl, so I could hold you, again
Build your castle in the sky, now no one can tell you lies
Heaven's not so far if I can see you in my dreams
When I feel my time is near, I won't be sad 'cause you'll be there
I know you're right there waiting for me, yeah, yeah, yeah
It's hard to make it on my own
I need your love, girl, so much more than I'd ever known
Sometimes it's hard to breathe
Sometimes it hurts so bad, girl, that I just fall to my knees
This time I feel like dyin', feels like I'm dead within
Sometimes I wish I was, girl, so I could hold you, again
Build your castle in the sky, now no one can tell you lies
Heaven's not so far if I can see you in my dreams
When I feel my time is near, I won't be sad 'cause you'll be there
I know you're right there waiting for me, yeah, yeah, yeah
Yeah, waiting for me
(I never thought that you would wait for me)
No, waiting for you
(I didn't think that we could never be)
Yeah, waiting for me
(I never thought that you would)
Yeah, waiting for me
Build your castle in the sky, now no one can tell you lies
Heaven's not so far if I can see you in my dreams
When I feel my time is near, I won't be sad 'cause you'll be there
I know you're right there waiting for me, yeah, yeah
(I know you're out there)
Build your castle in the sky, now no one can tell you lies
Heaven's not so far if I can see you in my dreams
(See you in my dreams)
When I feel my time is near, I won't be sad 'cause you'll be there
I know you're right there waiting for me, yeah, yeah, yeah
