Chelsea

The Dirty Heads

I wonder why I wasted all of my time
I could've been, I could've been there with you
Wonder why I even try, girl

'Cause there's just nothin', nothin' I can doNowhere that I can go, no

Nothin' that I can say, girl, that's gonna take the pain away

This time I feel like dyin', feels like I'm dead within

Sometimes I wish I was, girl, so I could hold you, againBuild your castle in the sky, now no one can tell you lies Heaven's not so far if I can see you in my dreams

When I feel my time is near, I won't be sad 'cause you'll be there I know you're right there waiting for me, yeah, yeah, yeahIt's hard to make it on my own I need your love, girl, so much more than I'd ever known

Sometimes it's hard to breathe

Sometimes it hurts so bad, girl, that I just fall to my kneesThis time I feel like dyin', feels like I'm dead within Sometimes I wish I was, girl, so I could hold you, againBuild your castle in the sky, now no one can tell you lies Heaven's not so far if I can see you in my dreams

When I feel my time is near, I won't be sad 'cause you'll be there I know you're right there waiting for me, yeah, yeah, yeahYeah, waiting for me (I never thought that you would wait for me)

No, waiting for you

(I didn't think that we could never be)

Yeah, waiting for me

(I never thought that you would)

Yeah, waiting for meBuild your castle in the sky, now no one can tell you lies

Heaven's not so far if I can see you in my dreams

When I feel my time is near, I won't be sad 'cause you'll be there

I know you're right there waiting for me, yeah, yeah

(I know you're out there)Build your castle in the sky, now no one can tell you lies

Heaven's not so far if I can see you in my dreams

(See you in my dreams)

When I feel my time is near, I won't be sad 'cause you'll be there I know you're right there waiting for me, yeah, yeah, yeah
