Why Cry

The Panic Channel

I've been feeling lonesome
I'm downed, don't know what to do
I let you lie to me
Plant seeds inside to see them grow then leave them to die

I've learned my lesson, I won't be forgetting,
I won't give my heart out without suspecting
Why cry , why cry, why cry
For you

I been lost and finding out that I've been such a fool
You thought you'd stick around until the day you
Found someone to make me feel absolute

I learned my lesson, I won't be forgetting,
I won't give my heart out with out suspecting
Why cry, why cry, why cry, why cry
For you

I learned my lesson, I won't be forgetting
Why cry, why cry, (for you) why cry, why cry, (for you)
Why cry, why cry (for you) why cry, for you
