

# Why Cry

## The Panic Channel

I've been feeling lonesome  
I'm downed, don't know what to do  
I let you lie to me  
Plant seeds inside to see them grow then leave them to die

I've learned my lesson, I won't be forgetting,  
I won't give my heart out without suspecting  
Why cry , why cry, why cry  
For you

I been lost and finding out that I've been such a fool  
You thought you'd stick around until the day you  
Found someone to make me feel absolute

I learned my lesson, I won't be forgetting,  
I won't give my heart out with out suspecting  
Why cry, why cry, why cry, why cry  
For you

I learned my lesson, I won't be forgetting  
Why cry, why cry, (for you) why cry, why cry, (for you)  
Why cry, why cry (for you) why cry, for you
