Learn to Fly

[Foo Fighters](#)

Run and tell all of the angels
This could take all night
Think I need a devil to help me
Get things rightHook me up a new revolution
'Cause this one is a lie
We sat around laughing
And watch the last one dieI'm looking to the sky to save me
Looking for a sign of life
Looking for something help me burn out brightI'm looking for a complication
Looking 'cause I'm tired of trying
Make my way back home
When I learn to fly (high)Think I'm done nursing the patience
I can wait one night
I'd give it all away
If you give me one last tryWe live happily ever trapped
If you just save my life
Run and tell the angels
That everything is all rightI'm looking to the sky to save me
Looking for a sign of life
Looking for something help me burn out brightI'm looking for a complication
Looking 'cause I'm tired of trying
Make my way back home
When I learn to fly (high)
Make my way back home
When I learn to flyFly along with me
I can't quite make it alone
Try to make this life my own
Fly along with me
I can't quite make it alone
Try to make this life my ownI'm looking to the sky to save me
Looking for a sign of life
Looking for something help me burn out brightI'm looking for a complication
Looking 'cause I'm tired of trying
Make my way back home
When I learn toLooking to the sky to save me
Looking for a sign of life
Looking for something help me burn out brightI'm looking for a complication
Looking 'cause I'm tired of trying
Make my way back home

When I learn to fly high
Make my way back home
When I learn to fly
Make my way back home
When I learn to
