

Cats Under the Stars

Jerry Garcia Band

Cats down under the stars
Cats down under the starsCats on the blacktop, birdies in the treetop
Someone plays guitar that sounds like a clarinet
I ain't ready yet, to go to bed
Think I'll take a walk downtown insteadCats down under the stars
Cats down under the starsCats in the limelight, feels like it's all right
Everybody wants something they might not get
I ain't ready yet, to go to bed
Think I'll take a walk downtown insteadCats down under the stars
Cats down under the starsCats on the bandstand, give 'em each a big hand
Anyone who sweats like that must be all right
No one wants sometimes, no black eye
Just another cat beneath the stars tonightCats down under the stars
Cats down under the starsSatin blouse unbuttoning
Satin blouse unbuttoning
Time's is doing it just for you
Time's a stripper, doing it just for youJust for you
Just for you
Just for you
Just for youHammering the brass tacks, cover up you tracks, Jack
Ain't nowhere till you can pay your own way back
What else do you lack to make it right
Cats down under the stars tonight?Cats down under the stars
Cats down under the starsCats down under the stars
Cats down under the stars
