

I'm Throwing My Arms Around Paris

[Morrissey](#)

In the absence of your love
And in the absence of human touch
I have decided
I'm throwing my arms around, around Paris
Because only stone and steel accept my love
In the absence of your smiling face
I travel all over the place
And I have decided
I'm throwing my arms around, around Paris
Because only stone and steel accept my love
I'm throwing my arms around, around Paris
Because only stone and steel accept my love
I'm throwing my arms around Paris
Because nobody wants my love
Nobody wants my love
Nobody needs my love
Nobody wants my love
Yes, you made yourself plain
Yes, you made yourself very plain
