

John Lee Supertaster (Bonus Live Version)

They Might Be Giants

Flans, When I was 39 years old, I heard a story.
I found out that there [are] people walking among us who have superpowers.
These people are called Supertasters.
To a Supertaster, bitter fruits taste far more bitter, and sweets far more sweet.
Then, just a few months ago, I had the chance to meet a real, live
Supertaster named John Lee.
And this is his true story,
Nothing tastes the same (nothing tastes the same)
To a Supertaster (Supertaster)
When he tastes a pear (tastes a pear)
It's like a hundred pears (it's like a million pears)He's got superpowers (superpowers)
He is a Supertaster (Supertaster)
Every flavor explodes (explodes and explodes)
Explodes and explodesJohn Lee Supertaster
Tastes more than we do
Everything has a flavor
Some flavors are too muchCan't shut his mouth (can't shut his mouth)
'Cause he's a Supertaster (Supertaster)
Though he looks like a man (talks like a man)
He is a Supertaster (Supertaster)Can't drink coffee or beer (coffee or beer)
Cause he's a Supertaster (Supertaster)
Loves ice cream and pie (ice cream and pie)
He is a SupertasterJohn Lee Supertaster
Tastes more than we know
Everything has a flavor
Some flavors must go
