

I Believe In Love

Lou Reed

I believe in good times now
And I believe in shows
And I believe in the iron cross
And as everybody knows I believe in good times music, yeah
Good time rock 'n' roll
I believe in music, music, music
It'll satisfy your soul, but Ah, I believe love
(Good time music)
Yeah, yeah, yeah, now, I believe in love
(Good time music) I believe in party time
And I believe in soul
And I believe in temptation
And knock, knock, knocking at your door And I believe in good times, yeah
Good time rock 'n' roll
Yeah, I believe in the music, music, music
It'll satisfy your soul But you know that I believe love
(Good time music)
Yeah, yeah, [Incomprehensible], yeah, I believe in love
(Good time music) I believe, I believe
I believe, I believe, I believe in love
I believe, I believe
I believe, I believe, yeah, I believe in love I believe, I believe
I believe, I believe, yeah, I believe in love
I believe, I believe
I believe, I believe, yeah, I believe in love Yeah, [Incomprehensible]
Good time music, good time rock 'n' roll
Good time music, good time rock 'n' roll
Good time music, good time rock 'n' roll
Good time music, good time rock 'n' roll
