

# Love It All

Casey McQuillen

9 ain't so small  
She'd seen it all  
She'd seen enough  
To know life would be tough

9 ain't so big  
At 9 you still wish  
The world would be still  
You'd just be what you will

She says Ooh, Ooh, Ooh, Ooh.

Let it be just  
Ooh, Ooh, Ooh, Ooh.

Let it dream  
The world is so big  
And you are so small  
Ooh, Ooh, Ooh, Ooh.

Love it all

He loves her so  
But he don't know  
All that she sees  
And all that it means

She loves the sky  
It just seems so wide  
Let her get lost in  
The blink of an eye

She says Ooh, Ooh, Ooh, Ooh.

Let it be just  
Ooh, Ooh, Ooh, Ooh.

Let it dream  
The world is so big  
And you are so small  
Ooh, Ooh, Ooh, Ooh.

Love it all

16 ain't so scared  
But nobody's there

Nobody knows  
She just lies through her soul

She says Ooh, Ooh, Ooh, Ooh.

Let it be just  
Ooh, Ooh, Ooh, Ooh.

Let it dream  
The world is so big  
And you are so small  
Ooh, Ooh, Ooh, Ooh.  
Love it all

She says Ooh, Ooh, Ooh, Ooh.

Let it be just  
Ooh, Ooh, Ooh, Ooh.

Let it dream  
The world is so big  
And you are so small  
Ooh, Ooh, Ooh, Ooh.  
Love it all
