

Electricity (The Micronauts Remix)

Orchestral Manoeuvres in the Dark

Our one source of energy
The ultimate discovery
Electric blue for me
Never more to be free
Electricity
Nuclear and HEP
Carbon fuels from the sea
Wasted electricity Our one source of energy
Electricity
All we need to live today
A gift for man to throw away
The chance to change has nearly gone
The alternative is only one
The final source of energy
Solar electricity Electricity
Electricity
Electricity
Electricity
Electricity
