Our World (Live Acoustic)

Vince Kidd

Hey, hey, hey, hey
Two kids and we roll alone
Damn baby we just broke the mould
Tryna live a dream, tryna make a scene,
but with only you and me, no,
Hey,
and Imma do my best for you
and we'll abide by different rules
we know what they gon say,
same shit different day,
those haters gonna hateCruisin' in my ride,
I hear those whispers growin' stronger
turn the radio on to some Amy song
so we turn that angel louderBaby, we don't give a damn what they sayin'
Let 'em know this is our world, world, world, world
we shout loud as we want to, so proud,
let 'em know this is out world, world, world, world
This is our worldThey say two wrongs don't make a right
but baby we do wrong so right
we're just livin' high,
being free like a page that was torn from the sixtiesYou know I don't believe in much,
but my dear I do believe in you
surrounded by the lies,
when I look at you I see the truthCruisin' in my ride,
whispers growin' stronger
Radio on, Amy song,
turn that angel louderBaby, we don't give a damn what they sayin'
Let 'em know this is our world,
This is our world
We shout loud as we want to, so proud,
Let 'em know this is our world
Hey
This is our worldAnd I don't know where we'll end up down this road,
All that I know is that imma be there through it all,
Runnin' wild, we don't even see the crowd
Together we're ours, we thought we build the wallsBaby, we don't give a damn what they sayin'
Let 'em know this is our world
This is our world
We shout loud as we want to

Let 'em know this is out worldNever let go, never let go, never let go,
You'll never be lonely
Never let go, never let go, never let go,
You'll never be lonely
Never let go, never let go,
You'll never be lonely
