

# Doctor's Orders

Carol Douglas

Hello

Hiya honey

It's me I want to see the doctor today

"Cos ever since you've been gone

I've had a pain deep down inside

He said, there's nothing really wrong with me

I'm just missing my man, so honey

Please, come on home as soon as you can Doctor's orders say, there's only one thing for me

Nothing he can do 'cos only you can cure me

Says in my condition love's the best physician

He's prescribed a potion full of warm emotion

Every day a lovin' spoonful to be taken

It's the only way to stop this empty heart of mine from breakin

Song text taken from stlyrics.com

Won't get better till you're back again

He told me, doctor's orders need your loving arms to hold me

Darling, now I know there ain't no doubt about it

I'm so hooked on your love, I can't live without it

You're away but please don't treat me like a stranger

Doctor's orders say, one kiss from you and I am out of danger[Musical Interlude]"Please say you understand

how I feel honey

I know you've got a lot of things on your mind

Oh, but I'm missing you so bad

Please, oh please, come on home"Doctor's orders say, there's only one thing for me

Nothing he can do 'cos only you can cure me

Says in my condition love's the best physician

He prescribed a potion full of warm emotion

Now I know there ain't no doubt about it
