You Are The One

A-ha

You are the one who had done me in
Guess you knew from the start
I'll call again but there's no one in
Don't know where, with whom you've beenBut I do love you
Anyway you want me toAnd you are the one for now this state I'm in
Catching you was so hard
I fought for you, did you let me win?
Don't even care, don't care where I've beenBut I do love you
Anyway you want me toYou are the oneI've done all I can do
All the letters I've sent through
Put my life in the palm of your handsMaybe now you can see
That it's got to be me
If you leave me, I'll understand, yeah
If you leave me, I'll understandBut you are the one who has done me
Guess you knew from the start
I call your friends but there's no one in
Catching you is so hardYou are the one, you are the one
You are the one, you are the one
You are the one
