

# One Touch (Patrick Rosaka Mix)

## Roy Gates

Stay until two, you're in my view  
I see you, see me looking at you  
And all I want, is to never end the song  
So I can stay close to you You send me so high, in just one night  
I wanna take you higher No one here can compare One touch...I wanna feel  
Feel it all over me  
Coz I'm going under  
Deep, deep under the sea  
Coz I want you now  
I'm gonna show you how I'm gonna show you how  
I'm gonna show you how  
I'm gonna show you how  
I'm gonna show you how  
I'm gonna show you how Nothing else can replace  
All these feelings I have for you  
I wanna take you on a ride  
Deep inside, a world dedicated to you You send me so high  
In just one night  
I wanna take you higher  
No one, here can compare One touch, I wanna feel  
Feel it all over me  
Coz I'm going under  
Deep, deep under the sea  
Coz I want you now  
I'm gonna show you how I'm gonna show you how  
I'm gonna show you how  
I'm gonna show you how  
I'm gonna show you how One touch, I wanna feel  
Feel it all over me  
Coz I'm going under  
Deep, deep under the sea  
Coz I want you now  
I'm gonna show you how
