Fool For A Lonesome Train

Ben Harper

It?s late and I can?t sleep, I?ve made promises that I can?t keep
Cobblestones and broken bones
Has a kingdom but he?s got no home
Last night is still ringin? in my head
Like that lonesome whistle in the rain
Lord, I?m a fool for a lonesome train
Oh, I?m a fool for a lonesome train
The lifetimes we?ve left behind with strangers
Promises and lies, both have their dangers
Now I just can?t be wrong enough
And I can?t hide for long enough

So far away but I still feel your pain
Lord, I?m a fool for a lonesome train
Lord, I?m a fool for a lonesome train
I try to say goodbye but I never got your name
Whoa, I?m a fool for a lonesome train
Lord, I?m a fool for a lonesome train
I?m your fool for a long summer rain
I know it sounds crazy but I?m painfully shamed
Whoa, I?m your fool for a lonesome, oh a lonesome, lonesome train
