

# Fool For A Lonesome Train

**Ben Harper**

It's late and I can't sleep, I've made promises that I can't keep  
Cobblestones and broken bones  
Has a kingdom but he's got no home  
Last night is still ringin' in my head  
Like that lonesome whistle in the rain  
Lord, I'm a fool for a lonesome train  
Oh, I'm a fool for a lonesome train  
The lifetimes we've left behind with strangers  
Promises and lies, both have their dangers  
Now I just can't be wrong enough  
And I can't hide for long enough  
  
So far away but I still feel your pain  
Lord, I'm a fool for a lonesome train  
Lord, I'm a fool for a lonesome train  
I try to say goodbye but I never got your name  
Whoa, I'm a fool for a lonesome train  
Lord, I'm a fool for a lonesome train  
I'm your fool for a long summer rain  
I know it sounds crazy but I'm painfully shamed  
Whoa, I'm your fool for a lonesome, oh a lonesome, lonesome train
