# Broken

## Amanda Falk

How do I feel?
Let me count the ways that I don't know,
And tell you all about it.

How can I feel?
When I've left my heart behind,
And gone a million miles without it.

Pre-Chorus:
I can't believe,
That I can't see,
What's going on inside of me.
Yeah...

Chorus:
'Cause I can't try,
To pretend that I'm alright,
When I'm broken,
'Cause I'm broken.
Sometimes you try to reach me,
And I guard the only light,
You want to reach me.

How would you feel?
When you're caught up in a world,
That's turning out to be a fantasy.

How could you feel?
When you're caught between your life,
And your own virtual reality.

Pre-Chorus

Chorus

And just about when,
I'm about to fall down,
You will come around,
Just in time you'll reach into my life.

And just about when,
I'm about to fall down,
You will come around,
Just in time you'll touch this heart of mine.

But I can't try,
To pretend that I'm alright,
When I'm broken,
I'm broken.

Sometimes you try to reach me,
And I guard the only light,
That can reach me,
You want to reach me.

Cause I can't try,
To pretend that I'm alright,
When I'm broken,
I'm broken.

Sometimes you try to reach me,
And I guard the only light,
That can reach me,
You want to reach me.

But I can't try,
To pretend that I'm alright,
When I'm broken,
I'm broken.

Sometimes you try to reach me,
And I guard the only light,
That can reach me,
You want to reach me.

Yeah
