All I Could Do Was Cry

Etta James

I heard church bells ring I heard a choir singing I saw my love walk down the aisle On her finger he placed a ringOh ohI saw them holding hands She was standing there with my man I heard them promise 'til death do us part Each word was a pain in my heartAll I could do All I could do was cry All I could do was cry I was losing the man that I love And all I could do was cryAnd now the wedding is over Rice, rice has been thrown over their heads For them life has just begun But mine is endingOh, all I could do All I could do was cry All I could do was cry I was losing the man that I love And all I could do was cry
