

# Love is Wasted on Lovers

Jessie Baylin

Love is wasted on lovers  
They don't know what's in their arms  
They don't know until it's gone  
Who put out that spark  
Love is wasted on lovers  
They will open every stitch  
Breaking something just to fix.  
Seal it with a kiss  
Love is wasted on lovers It's such a shame, to lose this way  
And I'm recognizing no  
One's to blame, we both took gain  
But there was so much beauty  
Oh, oh, oh, oh  
Oh, can't you see Love is wasted on lovers  
They don't know what's in their arms  
They don't know until it's gone  
Who put out that spark  
Love is wasted on lovers  
They will open every stitch  
Breaking something just to fix  
Seal it with a kiss  
Love is wasted on lovers We used to be, so young and naive  
And thought that we'd be different  
Love, love's a blindfold  
It doesn't let go,  
Till it's too late to see it, oh  
Oh, oh, oh, oh  
Oh, can't you see Love is wasted on lovers  
They don't know what's in their arms  
They don't know until it's gone  
Who put out that spark  
Love is wasted on lovers  
They will open every stitch  
Breaking something just to fix.  
Seal it with a kiss  
Love is wasted on lovers  
And I wasted it on you  
And I wasted it on you They don't know what's in their arms  
They don't know until it's gone

Who put out that spark  
Love is wasted on lovers  
They will open every stitch  
Breaking something just to fix.  
Seal it with a kiss  
Love is wasted on lovers  
They don't know what's in their arms  
They don't know until it's gone  
Love is wasted on lovers.
