

I Will Wait

Mumford & Sons

Well I came home
Like a stone
And I fell heavy into your arms
These days of darkness
Which we've known
Will blow away with this new sun But I'll kneel down
Wait for now
And I'll kneel down
Know my ground 'Cause I will wait, I will wait for you
And I will wait, I will wait for you So break my step
And relent
Well you forgave and I won't forget
Know what we've seen
And him with less
Now in some ways
Shake the excess And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you Now I'll be bold
As well as strong
And use my head alongside my heart
So tame my flesh
And fix my eyes
A tethered mind freed from the lies And I'll kneel down
Wait for now
And I'll kneel down
Know my ground Raise my hands
Paint my spirit gold
Bow my head
Keep my heart slow 'Cause I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
