

Just To See You

[Alex Chilton](#)

I came walking along the railroad tracks
all the way from Texas I come walking back
Just to see you,
I walked all this way to see you!
Well I can't walk no more
Won't you open up your door and let me see you! I've been making the rounds
I go to every town
I been up and down and all around
But I had to see you
I had to come on back and see you
There's been two or three in between yeah, but they didn't mean a thing
But let me see you, yeah I've been missing your warm brown hair
And I've been missing your ice cold stare
I aint seen that ol' gleam in your eye
Girl, it's been such a long time my, my
Oh let me see you. Well I was down in Georgia for some length of time
And I been way across the Mason-Dixon line
But I had to see you
I had to come back and see you!
Yeah, there was a girl in Baltimore
But she just didn't know the score
Well let me see you uhuh
Well I can't walk more
Won't you open up your door.
And let me see you, yeah, yeah.
