I'm on Fire

Saxon

You're driving me crazy
You're out of control
You're breaking all the rules
Sneaking out your back door
You're nothing but a wild child
Running round in town
'Cause if this is hell
Then I'm going downSomebody call for emergency (*)
Somebody rescue meI'm on fire (**)
I'm on fire
Somebody rescue me
I'm on fireMy temperature's rising
A hundred and four
You're looking too hot
I'm standing in a heat wave
You're nothing but a sex-show
You're making me yearn
You're taking me down baby
And I'm gonna burn
