Control Freak (feat. DJ S3RL)

DanWritesSins

[Intro]
Hey, Is this thing on?
It's DanWritesSins
(SERL): AND DJ S3RL[Verse 1]
Show me how to cheat, steal
Your body will become my meal
I'll give you something worth your time
and teach you how to live.
Follow the message, no more leverage
I'll give them what they deserve.
Steal my feeling, screeching, squealing.
Drowning in excessive love.[Verse 2]
Wake up, bake up, pop some pills.
Meet up with my friend, Jack Daniels.
I'll be mouth to mouth with you tonight
Let me show you how it feels in the limelight.
I love how you act so obsessed,
on the verge of cardiac arrest.
Call me what you want, yeah I'm a freak
Got these girls getting naked in my bed sheets.[S3RL: Chorus]
I want you so you're mine,
always selfishly - super control freak.
Oh you know just what to do,
to make me feel this way.
I want you so you're mine,
always selfishly - super control freak.
Oh you know just what to do,
to make me act this way.[Verse 3]
I just want to be with you
but first I gotta see if you
keep up the pace of my life, exploited in the limelight.
I can't stop thinking about you.
All the things that we could do.
I wanna bring out the freak in you.[Verse 4]
Do I ... seem like ... it's I ...
Who has caused all the trouble in their lives
Inside, your secrets are all mine.[S3RL: Chorus]
I want you so you're mine,
always selfishly - super control freak.

Oh you know just what to do,
to make me feel this way.
I want you so you're mine,
always selfishly - super control freak.
Oh you know just what to do,
to make me act this way.[Instrumental Break][Vox Breakdown]
Prince of AutoTune is coming through
writing sins on your ass, like judicial review.
Talk shit all you want, but my voice makes you drool.
Clean your act up, because ya look like a fool.
I'mma give it to you hard, because I'm on patrol.
Then record you blowing me like Ambre Cole.
Let me bump a couple lines, (sniffahhhh)
okay, now I'm back on this track.
You can't even keep up, c-c-c-cardiac.[Repeat 4]
Do I ... seem like ... it's I ...
Who has caused all the trouble in their lives
Inside, your secrets are all mine.[S3RL: Chorus]
I want you so you're mine,
always selfishly - super control freak.
Oh you know just what to do,
to make me feel this way.
I want you so you're mine,
always selfishly - super control freak.
Oh you know just what to do,
to make me act this way.[Outro]
sigh whatever
