A Track And A Train

Shout Out Louds

Everyone's got someone, I got none
And everyone's got someone, I got no one
And I try to find out what to do with my lifeBut here it comes at last
And my heart beats faster than safe
Faster than the train in my mindEveryone can see me when I'm numb
And tell me what I look like when I stumble
Well, I try to find out what I do to your lifeBut here it comes at last
And my heart beats faster than safe
Faster than the train in my mind and I'm notBut I try to find out what to do with my lifeBut her it comes at last
And my heart beats faster than safe
Faster than the train in my mindHere it comes at last
And my heart beats faster than safe
Faster than the train in my mindIn my mind, in my mind
In my mind, in my mind
