

# All Love Dead

## Agathocles

Smash your hammer,  
in Cupido's head,  
now we're all happy,  
'cause all love is dead,  
All love is dead,  
and it ain't too bad,  
My mind is filled,  
with poisonnous thoughts,  
my feelings are fading,  
without any doubts,  
All love is dead,  
and it ain't too bad,
