

Ready To Go

Superdrag

Hey, hey, ready to go, hey, hey, ready to go
We're sitting on the edge of our seat
We can feel it from our heads to our feetHey, hey, ready to go, hey, hey, ready to go
Like a picture where time stands still
It's like we're moving yet spinning our wheelsWe've been waiting for so long
Waiting for this day to come
We've been waiting, it feels like half our life
For this day to finally comeHey, hey, ready to go, hey, hey, ready to go
We're moving just as fast as we can
We feel the wind slipping right through our handsHey, hey, ready to go, hey, hey, ready to go
Like when the clouds run away from the sky
And the sun's playing tricks on my eyesWe've been waiting for so long
Waiting for this day to come
We've been waiting, it feels like half our life
For this day to finally come
For this day to finally come
