

Confessions (featuring Missy E)

Destiny's Child

The day you pissed me off
I told Mike to pick me up
I told him you was buggin' and
I don't like to fuss
He said he would look out for me
If I needed a friend
He took me to his house and then he
Invited me in
Then we sat on the couch
He put his arms around my waist
Knowin' I need lovin' then he
Gently grabbed my face
He kissed me like a guy could never
Kiss a girl before
So you know what happened baby
I need to say no more I'm just confessing
About the things I did
I might-as-well come clean
What you feel about that baby
I'm just confessing
Bout the things I did
I might-as-well come clean
What you feel about that baby
I'm just guessing
That you through with me?
'Cause I just came clean
What you feel about that baby
I'm just guessing
Are you through with me?
'Cause I just came clean
What you, feel about that (Verse 2)
Remember the time you wondered
Where your money went?
I called my friends
And bought some clothes
And took them on a trip
I met a dude that had a jeep
And we talked all the time
He asked me bout my man

And you know that I had to lie
He thought I had no man
And I was chillin by myself
Don't get mad
'Cause I feel sad
That's why I must confess
Too many times I wanted to
Let you know my dirt
But every time you said
You loved me I knew it would hurt I'm just confessing
About some things I did
I might-as-well come clean
What you feel about that baby
I'm just confessing
Bout the things I did
I might-as-well come clean
What you feel about that baby
I'm just guessing
That you through with me?
'Cause I just came clean
What you feel about that baby
I'm just guessing
Are you through with me?
'Cause I just came clean
What you, feel about that I was mad what was I to do
Never had any mind to play on you
Look at all the hurt you put me through
I can't tell a lie so
I'm tellin' the truth I was mad what was I to do
Never had any mind to play on you
Look at all the hurt you put me through
You know, you know I was mad what was I to do
Never had any mind to play on you
Look at all the hurt you put me through
I can't tell a lie so
I'm tellin' the truth I was mad what was I to do
Never had any mind to play on you
Look at all the hurt you put me through
You know, you know I'm just confessing
About some things I did
I might-as-well come clean
What you feel about that baby
I'm just confessing
Bout the things I did
I might-as-well come clean

What you feel about that baby
I'm just guessing
That you through with me?
'Cause I just came clean
What you feel about that baby
I'm just guessing
Are you through with me?
'Cause I just came clean
What you, feel about that Confess, come clean boo, yo
What you feel about that
What you feel about uh
What you feel about that, confessing baby, misdemeanor,
Destiny, uh uh uh , we out 2-0-0- 0I'm just guessing
That you through with me?
'Cause I just came clean
What you feel about that baby Thou shall not bug
