

Headphones (Headspinners Remix)

[LeAnn Rimes](#)

I love to sit and watch you work the room
You could have anyone you want to
But I know you're going home with me
Just when I think I've got you figured out
You spin me faster than the speed of sound
But I know you know it makes me want you more
(Makes me want you more) Boy you're turning me on
I wanna be the bed that you'll be laying on
I wanna be yours
Your anything and everything, I wanna be that song
That's coming through your headphones Just like the purple lake in your tattoo
That's how close I wanna be to you
I'm in your skin, I'm playing in your head
(Playing in your head) Am I turning you on
I wanna be the bed that you'll be laying on
I wanna be yours
Your anything and everything, I wanna be that song
That's coming through your headphones I let my world revolve around you
I whisper sweet things in your ear
I've never loved but I'm about to
Can't you feel us going there Am I turning you on
I wanna be the bed that you'll be laying on
I wanna be yours
Your anything and everything, I wanna be that song
That's coming through your headphones
