Tebowie

Jimmy Fallon

Tim Tebow to Jesus Christ
Tim Tebow to Jesus Christ
Can?t win by myself but with your help I might
Tim Tebow to Jesus Christ
Commencing 4th down ?Hut, hut, hike?
Snap the football and may God?s love be with me
This is Jesus Christ to Tim Tebow
Please leave me alone
Don?t you know my day of rest is Sunday?
And I?m sick of watching all these Broncos games
I hear that you play New England next week

Dude, you?re on your own
Brady is too good and I got better things to do
So I passed 316 yards
There?s still two games to go
If I want to make it to the Super Bowl
And show everyone on Earth how to Tebow
Tim Tebow to Jesus Christ
The Broncos won we?re still alive
Come on everyone Tebow
Come on everyone Tebow
Come on everyone Tebow
Come on everyone Tebow
