

Shots & Squats (feat. Tham Sway)

Vigiland

We've been doing squats
Party on the dock
Take off every top
Time to pump it up
Drink until we drop (drop) Let's take another shot (shot)
We don't give a fuck
Now take it from the top
drinking drinking drinking drinking drinking till we drop
Party party party party
party 'round the clock
Shot! drinking drinking drinking drinking
drinking till we drop
Party party party party
party 'round the clock SHOT!
We've been doing squats
Party on the dock
Take off every top
Time to pump it up Drink until we drop (drop)
Let's take another shot (shot)
We don't give a fuck
Now take it from the top drinking drinking drinking drinking
drinking till we drop
Party party party party
party 'round the clock Shot!
drinking drinking drinking drinking
drinking till we drop
Party party party party
party 'round the clock
SHOT!
