When It Comes to Us (feat. Ritual)

Frances

I turn tables and speak too softly
I don't make much sense
I don't make much senseYou're unable to calm down lightly
You're so intense
Yeah you're so intenseSo, you just let me know what you're missing
Come take the pedestal
You'll be the reason why I keep slipping
But come homeYou and I, we're one too many worlds apart
It really shouldn't work but it does
It really shouldn't work but it doesAnd side by side, we're different but somehow the same
It really shouldn't work but it does
It really shouldn't work but it does
When it comes to usOoh ooh ooh oh oh ou
When it comes
Aah aah aah ah ah aha
When it comes to us
Ooh ooh ooh oh oh ou
When it comes
Aah aah aah ah ahYou're too playful, and never serious
But I love you that way
Yeah I love you that wayI'm too careful and always in a rush
But it's all okay
Yeah it's always okaySo you just let me know that you're missing
Come take the pedestal
You'll be the reason why I keep slipping
But come homeYou and I, we're one too many worlds apart
It really shouldn't work but it does
It really shouldn't work but it doesAnd side by side, we're different but somehow the same
It really shouldn't work but it does
It really shouldn't work but it does
When it comes to usOoh ooh ooh oh oh ou
When it comes
Aah aah aah ah ah aha
When it comes to us
Ooh ooh ooh oh oh ou
Aah aah aah ah ah
Ooh ooh ooh oh oh ouYou and I, we're one too many worlds apart
It really shouldn't work but it does
It really shouldn't work but it doesAnd side by side, we're different but somehow The same

It really shouldn't work but it does
It really shouldn't work but it does
When it comes to usOoh ooh ooh oh oh ou
When it comes
Aah aah aah ah ah aha
When it comes to us
Ooh ooh ooh oh oh ou
When it comes
Aah aah aah ah ah
