

# When It Comes to Us (feat. Ritual)

Frances

I turn tables and speak too softly  
I don't make much sense  
I don't make much sense You're unable to calm down lightly  
You're so intense  
Yeah you're so intense So, you just let me know what you're missing  
Come take the pedestal  
You'll be the reason why I keep slipping  
But come home You and I, we're one too many worlds apart  
It really shouldn't work but it does  
It really shouldn't work but it does And side by side, we're different but somehow the same  
It really shouldn't work but it does  
It really shouldn't work but it does  
When it comes to us Ooh ooh ooh oh oh ou  
When it comes  
Aah aah aah ah ah aha  
When it comes to us  
Ooh ooh ooh oh oh ou  
When it comes  
Aah aah aah ah ah You're too playful, and never serious  
But I love you that way  
Yeah I love you that way I'm too careful and always in a rush  
But it's all okay  
Yeah it's always okay So you just let me know that you're missing  
Come take the pedestal  
You'll be the reason why I keep slipping  
But come home You and I, we're one too many worlds apart  
It really shouldn't work but it does  
It really shouldn't work but it does And side by side, we're different but somehow the same  
It really shouldn't work but it does  
It really shouldn't work but it does  
When it comes to us Ooh ooh ooh oh oh ou  
When it comes  
Aah aah aah ah ah aha  
When it comes to us  
Ooh ooh ooh oh oh ou  
Aah aah aah ah ah  
Ooh ooh ooh oh oh ou You and I, we're one too many worlds apart  
It really shouldn't work but it does  
It really shouldn't work but it does And side by side, we're different but somehow The same

It really shouldn't work but it does  
It really shouldn't work but it does  
When it comes to us Ooh ooh ooh oh oh ou  
When it comes  
Aah aah aah ah ah aha  
When it comes to us  
Ooh ooh ooh oh oh ou  
When it comes  
Aah aah aah ah ah
