

Jet Pack Kicks

Family Force 5

NASA on the box
Pulling 4 G's
Prototype sneaks
Spaceships underneath
Wings on the back
Swoops on the side
Patent leather black
Yeah, I'm going mach 5Ground control
Ignite the soles
Permission to launch
Yeah, we good to roll
Leavin' all y'all in a cloud of smoke
Lift off
Lift off
Let's goJet pack kicks
High in the sky
Walkin' on air
I know how to fly
In my jet pack kicks, my jet pack kicks
You can watch me hover in my jet pack kicks
All laced-up
Rockets on blast
Sonic boom
So so fast
In my jet pack kicks, my jet pack kicks
I can see the world in my jet pack kicksHover, hover, hover
Hover in my jet pack kicks
Hover, hover, hover
I can see the world in my jet pack kicksLuke Skywalker
Marty McFly'in
Man up in the moon
Yeah, I high-fived him
Circle 'round the sun
Whoo, it's hot
Orbit the erf
Third RockSolar-powered
Making meteor showers
Battery life is like a million hours
Hyper-speed

Hyper-space
Def stars in ya faceJet pack kicks
High in the sky
Walkin' on air
I know how to fly
In my jet pack kicks, my jet pack kicks
You can watch me hover in my jet pack kicks
All laced-up
Rockets on blast
Sonic boom
So so fast
In my jet pack kicks, my jet pack kicks
I can see the world in my jet pack kicksHover, hover, hover
Hover in my jet pack kicks
Hover, hover, hover
I can see the world in my jet pack kicksDrop out the sky like Baumgartner
Straight on down to Georgia
Light up the sky so bright at night that
People say, "Is it the morning?"Space invaders
Let's make some craters
Put up your light sabers
Get Darth Vader
Feel the force with my kicks onYou can feel the force with my kicks on
Family Force 5 with my kicks onJet pack kicks
High in the sky
Walkin' on air
I know how to fly
In my jet pack kicks, my jet pack kicks
You can watch me hover in my jet pack kicks
All laced-up
Rockets on blast
Sonic boom
So so fast
In my jet pack kicks, my jet pack kicks
I can see the world in my jet pack kicksHover, hover, hover
Hover in my jet pack kicks
Hover, hover, hover
I can see the world in my jet pack kicks
