

# Go! (Dave Aude Radio Mix)

## Jupiter Rising

Every day, the same day  
It never changes  
I hump the nine to five  
I do what I do just to get by  
I'm always fiending for a new life  
Tonight's the night  
I'm gonna settle the score  
The weekday war for my soul  
Tonight's the night I'm gonna lose control  
Gonna hit the floor, act a fool  
Boy, you're on the floor now  
Let the music take your soul  
Boy, you're gonna score now  
Maybe you should just let goGo, go if something happens on the floor  
Go, go before they throw us out the door  
Go, go because we want a little more  
And we can't find it here; we got to goGo, go, we got to get it to the spot  
Go, go, we got to drop it while it hot  
Go, go, we got to do it when they not  
'Cause we plot quite a lot with the skills that we got
