Lose to Live

Strawberry Alarm Clock

Two, three, four!To find peace of mind today
You gotta search your thoughts in every way
You gotta fight to live
And lose to live
You gotta hate to love
Love to loveYou're looking hard and waiting for
Someone to come through your front door, yeah
Nobody comes
Yeah
All right
Come on
Ah, yeahThere's just no use in trying anymore
You'll never amount to anything
Sure, you can try
You'll never get anywhere
There'll always be someone to put you downYou're not the only one who wants to live and not die
And you won't be the first one to give it one more try
You gotta fight to live
And lose to live
You gotta hate to love
Love to loveYeah
All right
