Soundtrack To A Headrush

Emanuel

slow roll quick drags. im gonna wrap my head in plastic.
yeah so catch me when i...
fall down face first. im gonna scream gonna make it hurt.
(chorus)
yeah so start the car and
drive me home. because i need to be alone.
hold on tight. could lose my grip or lose my mind.
well i guess im cool. if you are too. you always know just what to do.
i guess im fine ill blow my mind and say goodnight.
slow turns bright skies. im gonna die man fuck a speed limit.
yeah so catch me when i fall
this is the end of everything. i take a breath and i choke i push it all back up.
(chorus)
this was the first this was my last taste of the technicolor.
why are you alone?
why are you alone?
