Deftones

Floating under water
Ever changing
Picture hours out from land
In tune with all our dreamsThe ocean takes me
In to watch you shake it
Watch you wave your powers
Tempt with hours of pleasureTake me one more time
Take me one more wave
Take me for one last ride
I'm out of my headTonight
Tonight
Tonight
Tonight, IThe sound of the waves collide
The sound of the waves collide
The sound of the waves collide
Tonight, we rideCruising through the city
After hours
With me fusing all our powers
Here's to all our
dreamsTake me one more time
Take me one more wave
Take me for one last ride
I'm out of my headTonight
Tonight
Tonight
TonightThe sound of the waves collide
The sound of the waves collide
The sound of the waves collide
Tonight, we ride
