## Deftones

Floating under water  
Ever changing  
Picture hours out from land  
In tune with all our dreamsThe ocean takes me  
In to watch you shake it  
Watch you wave your powers  
Tempt with hours of pleasureTake me one more time  
Take me one more wave  
Take me for one last ride  
I'm out of my headTonight  
Tonight  
Tonight  
Tonight, IThe sound of the waves collide  
The sound of the waves collide  
The sound of the waves collide  
Tonight, we rideCruising through the city  
After hours  
With me fusing all our powers  
Here's to all our  
dreamsTake me one more time  
Take me one more wave  
Take me for one last ride  
I'm out of my headTonight  
Tonight  
Tonight  
TonightThe sound of the waves collide  
The sound of the waves collide  
The sound of the waves collide  
Tonight, we ride
