Ho Humm

Moloko

Humm, humm, humm Humm, humm, humm Humm, humm, hummFlash light in the dark of night Laissez faire devil may care quick silver The feline breed your ego feed I'm a tease if you please an infuser Oh, but you know 'bout the jujuI colluded with the lucid a creator Come to my place for some good taste Rise the amorous to the rapturous alligatorHumm, humm, humm Humm, humm, humm Humm, humm, hummIf you pleaseHumm, humm, humm Humm, humm, humm Humm, humm, hummCall for me by humming this tune I only come when there's a full moon Ruby red lips, painted finger tips Make your sweet heart cry and your best friends tryFascinate like a temptress the caress Leaves you languishing exhausting to exhilarate A tornado if you say so

A tornado if you say so

And I shake like a quake captivateHumm, humm, humm
Humm, humm, humm
Humm, hummCall for me by humming this tune
I only come when there's a full moon
