It's Only Us

Robbie Williams

They want us to grow up
But we don't want to get a job
We all need a decent rock
Where it's all kicking offBaby, it's alright, baby it's alright
You don't need to call the fuzz
Baby, it's alright, baby it's alrightIt's only usWe're just after cheaper thrills
Since the price went up on pills
From stoke-on-Trent to Beverly Hills
We know it's all kicking offBaby, it's alright, baby it's alright
You don't need to cause a fuss
Baby, it's alright, baby it's alrightIt's only us, it's only us
Well it's all kicking offBaby it's alright, baby it's alright
You don't need to cause a fuss
Baby it's alright, baby it's alrightIt's only us, it's only us
