Feel This Moment

Nightcore

Ask for money, and get adviced
Ask for advice, get money twice
I'm from the Dirty, but that chico nice
Ya'll call it a moment, I call it life
One day when the light is glowing
I?ll be in my castle golden
But until the gates are open
I just wanna feel this moment (ohhh)
I just wanna feel this moment (ohhh)
I just wanna feel this moment
Mr Worldwide
Christina Aguilera
Oye mamita, come on, dale, que la cosa esta rica
(I wanna feel this moment)
[Beat break]Feel this moment...
Reporting live, from the tallest building in Tokyo
Long ways from the hard ways
Bill sos, and oh yeas
They count it always, 305 all day
Now baby we can party, oh baby we can party
She read books, especially about red rooms and tight ups
I got it hooked, cause she seen me in a suit with the red ta-ta up
Meet and greet, nice to meet ya, but time is money
Only difference is I own it, now let's stop time and enjoy this moment
One day when the light is glowing
I?ll be in my castle golden
But until the gates are open

I just wanna feel this moment (ohhh)
I just wanna feel this moment (ohhh)
I just wanna feel this moment
[Beat break]Feel this moment...
I see the future but live for the moment, make sense don't it
Now make dollars, I mean billions, im a genius, I mean brilliant
This street is what scoot em
And made em slicker, to slick with the ruler
I've lost a lot, and learned a lot
But i'm still undefeated like Zula
I'm far from cheap, I break down companies with alll my peeps

Baby we can travel the world
And not given view, and all you can see
Time is money
Only difference is I own it, like a stop watch, let's stop time and enjoy this moment
One day when the light is glowing
I?ll be in my castle golden
But until the gates are open
I just wanna feel this moment (ohhh)
I just wanna feel this moment (ohhh)
I just wanna feel this moment
[Beat break]Come one, feel this moment....
(ohhh) I just wanna feel this moment
(ohhh) I just wanna feel this moment
