Loving You - Losing You

Johnny Mathis

In the middle of my life,
I have nothing to lose
No one to love
Now it's you I'm thinking of
You're a little of heaven to me
You're all I need, is mine concern
There's a lesson to be learn
I thought I had the whole world at my feet
Now I know that I was dreaming
I fooled around and lost the only one made for me
And now I'm sorry. O so sorryLoving you, is it worth the pain of losing you

Loving you, is it worth the pain of losing, losing your lovYou can label a man worth having, it's up to you
This heart of mine has to live a second time
Take a little of your love from me and I'll be gone

I stand accused of being what I am, I'm a fool
And now I know it
