

Cathedral of Hate

Infernal Majesty

Enter bishop pomp dominion
No shining spirit crucifixion wound
Sadomastic sacramental enter clergy stench of doom
Stained glass windows scorn the apostles
Crumbling fodder for the thieves
Abrogate the laws of salvation
No god to forgive the sins of man
No angels light a path to heaven
No christ to die or make amends
Human wreckage clings to faith thirsting for the law
Even as it suffocates annihilate hierarchy
Promise for a better world damnation of all dignity
In this hell vulcanize lies in the fire
We welcome you to the cathedral of hate
We welcome you to the cathedral of hate
We welcome you to the cathedral of hate
Wallowing in your demise, ermication of cross
Destroy the gods that you despise, feast and fantasy
Crying out to save your soul, hallowed by thy me
No god to make you whole abhorrent thy diocese
We welcome you to the cathedral of hate
We welcome you to the cathedral of hate
We welcome you to the cathedral of hate
Open the door and enter the world
Exulting Lucifer begin again
Extricate doctrines of religion
Evoke the goddess of sin
Baptized in fire
We welcome you to the cathedral of hate
We welcome you to the cathedral of hate
We welcome you to the cathedral of hate
Consecrate the cathedral sharpen your swords for slaughter
Wretched self-evident rampant nocent decay
