

I Don't Know If It's Right

Evelyn "Champagne" King

I dont know if its right
To let you make love to me tonight
I dont know if I should
Give my love to you when I know youre no goodIve got to make sure its alright
If I should let you love me tonight
Before I let you kiss me I got to get the situation in hand
Cause I dont want you just to be another man, whoa, whoa, whoaI dont know if its right
To let you make love to me tonight
I dont know if I should
Give my love to you when I know youre no goodPeople tell me that you really know the right things to say
Especially when youre tryin?to get your way

Gotta be careful, gotta be smart, gotta watch out for my heart
I dont want it to be broken right from the start, oh, oh, oh, ohI dont know if its right
To let you make love to me tonight
I dont know if I should
Give my love to you when I know youre no goodOh, baby
Yeah...hey...hey...
Oh, oh, oh, ohI dont know if its right
To let you make love to me tonight
I dont know if I should
Give my love to you when I know youre no goodI dont know if I should
Give it to you when I know youre no good
If its right
I just dont know, no, hey..hey...
