

Desperate People

Hillsong UNITED

You crossed the great divide, You took our place
You offered up Your life, for we had failed
The veil was torn and love remained
You are holy, Lord Distraction costs us, how we seek Your face
We offer up our lives to bring You praise
A love the walls cannot contain
You are holy, Lord We're rising up in spirit and in truth
A living sacrifice, we worship You
People undivided, Lord, hear us sing
We are Yours and You are our King This is our love, hearts joined as one
Desperate for all You are
Lord, break down these walls and see how we love
Desperate for all You are, we chase Your heart We didn't come to leave here entertained
Or worship under any other name
We're crying out for You alone
You are holy, Lord We're rising up in spirit and in truth
A living sacrifice, we worship You
People undivided, Lord, hear us sing
We are Yours and You are our king This is our love, hearts joined as one
Desperate for all You are
Lord, break down these walls and see how we love
Desperate for all You are, we chase Your heart Show us the way to Your heart We found our voice, we found our
cause
We're on our knees, the carpet's worn
As we join our hearts with distant shores
And sing to You, Lord This is our love, hearts joined as one
Desperate for all You are
Lord, break down these walls and see how we love
Desperate for all You are This is our love, hearts joined as one
Desperate for all You are
Oh Lord, break down these walls and see how we love
Desperate for all You are, we chase your heart
