

The Song Remains Insane

Soulfly

Live your life
Not the way they taught you
Do what you feel
Survive the jungle
Give me blood
Give me pain
These scars won't heal Can you take it?
Can you take it?
Can you take it?
Motherfucker Were you thinking?
What a wonderful world!
You're full of shit
Leave it behind
They don't care if you cry
All left is pain I won't take it
I won't take it
I won't take it
No Which is why The song remains insane, insane, insane
The song remains insane, insane, insane
The song remains insane, insane, insane
The song remains insane, insane, insane The song remains insane, insane, insane
The song remains insane, insane, insane
The song remains insane, insane, insane
The song remains insane, insane, insane Motherfuckers The song remains insane
The song remains insane
The song remains insane
I remain insane
