

Move in the Right Direction

Gossip

One step closer I'm feeling fine
getting better one day at a time
Im moving forward with all of my might
Im heading toward a new state of mind
so I hold back tears
move in the right direction
face my fears
move in the right direction
Im doing fine
one step closer every day at the time
I wont lose my mind, lose my mind, uh uh
Motivation a powerful strength
hesitation was my first instinct
I got the notion my weakness was
total devotion its okay
Because I will hold back tears
so I can move in the right direction
I have faced my fears
now I can move in the right direction
Im doing fine
one step closer every day at a time
I wont lose my mind, lose my mind, uh uh
Keeping my head up, looking forward
reminiscing will get you no where
never say never starting over
its not perfect but its getting closer
I hold back tears
so I can move in the right direction
I have faced my fears
now I can move in the right direction
Im doing fine
one step closer every day at the time
I wont lose my mind, lose my mind, ah ah
